GUILLAUME LASSIAT

Senior UI / UX Designer

g.lassiat@gmail.com +47 944 50 952 Oslo, Norway

WEBSITES

www.guillaumelassiat.com www.worldisavillage.xyz

Expert UI/UX Designer with over 17 years of experience specializing in intuitive interfaces for complex engineering tools, 3D scientific visualization, and CAD model interactions. Most recently, I contributed to the award-winning Autodesk Forma, designing scalable component libraries and seamless workflows for advanced technical integrations involving APIs, SDKs, and MCPs. Leveraging my background in developing immersive 3D training applications for scientific specialists, I excel at collaborating with computational engineers to translate dense CFD simulation data into clear, high-fidelity mockups. I am eager to bring my strong product thinking to a deep-tech environment, where I can mentor engineering teams on usability principles and elevate the overarching design language.

PROFESSIONAL EXPERIENCE

2023 – 2026

Autodesk Forma
Oslo

UI/UX DESIGNER

Lead UI/UX design for complex engineering and architectural software, focusing on contextual data visualization and seamless RCM (Revit Cloud Model) interactions within Autodesk Forma to Revit and Rhino. I design intuitive interfaces, user flows, and high-fidelity mockups for complex data marketplaces and 3rd-party extensions. I collaborate closely with engineering teams to integrate APIs, SDKs, and MCPs, translating dense technical requirements into clear, usable workflows and scalable component libraries.

2022 – 2023

Second Design Studio
Paris

CO-FOUNDER & LEAD DESIGNER

Co-founded and managed a design studio specializing in the end-to-end production of 3D applications. Directed the UI/UX design, concept creation, and art direction for immersive 3D scientific visualizations. Defined the overarching design language for complex products, delivering high-fidelity prototypes and intuitive interfaces tailored to specialized user needs.

2021 - 2023

Biomerieux
Lyon

PRODUCT DESIGNER

Designed a highly realistic 3D scientific training application and integrated LMS to train scientists and specialists. Translated complex scientific requirements into clear, intuitive interfaces and user flows, successfully reducing the need for on-site trainers through effective 3D data interaction and immersive learning environments.

2016 - 2018

Mazars
Paris

VISUAL IDENTITY & DESIGN MANAGER

Managed visual identity and global design initiatives, establishing scalable design systems and defining the design language distributed across more than 80 countries. Collaborated across cross-functional teams to ensure consistent, high-quality user experiences and mentored designers on visual communication principles.

2010 - 2013

Biosens Numérique
Paris

GRAPHIC & DIGITAL DESIGNER

Created digital content, motion design, and user interfaces tailored for the pharmaceutical and scientific sectors, including major clients like Roche and Pfizer. Ensured complex medical and scientific information was accessible through clear, engaging visual communication and interactive web experiences.

2010 - PRESENT

Freelance
Paris

UI/UX DESIGNER

Deliver comprehensive UI/UX design solutions for a diverse portfolio of clients, from tech startups to large corporations like Publicis, Renault and Lancôme. Build wireframes, user flows, and high-fidelity mockups to drive user-centric product experiences, adapt to complex technical environments, and align with strategic business goals.

EDUCATION

- **2010 - 2013**

IESA Multimedia / Digital Campus
Paris

MASTER IN DIGITAL PROJECT MANAGEMENT

- Degree: Master in Digital Project Management (With honors)
- Specialization: Design & Motion Design specialist

RECOGNITION AND AWARDS

2025 - Architectural Record Best Architectural Products of the Year - New Software and Technology Category, won by Autodesk Forma Site Design.

2018 - Best Digital Corporate Communication Campaign – Digital Award Berlin & Magazine Stratégies Paris

SKILLS

Hard skills
UI/UX Design, Branding, Typography, Research plan, Motion Design, HTML5 / CSS3, Javascript, Photography, Videography, API creation

Soft Skills
Communicative, proactive, organised, leader, team-working, time-efficient, fast-paced, friendly, honest

TOOLS

Tools
Adobe CC Suite : Photoshop, InDesign, Illustrator, Premier Pro, After Effect, Adobe XD
Others : Maze, Miro, Mural, Sketch, Figma, Github

AI Skills & Tools
MCP* configuration and MCP App
Gemini 3.1, Cursor, Copilot, Chat GPT, Clawbot and Midjourney
*Model Context Protocol

LANGAGE

French: Native
English: Proficient (C1/C2)
Spanish: Intermediate (B1)
Norwegian Bokmål: Intermediate (B1)
